

TI Track & Field Team 2025 HCAA Corporate Cup Meet Results – Houston, TX on May 3th, 2025

The team returned to Houston this year for the HCAA Corporate Track Meet. Last year (2024), the team brought 36 people and finished 1st. For 2025, only 28 made the trip, which meant the team couldn't enter all of the events.

There were 5 companies that entered most of the 17 events – Exxon, BP, Schlumberger (SLG), Chevron, and TI. TI could only enter 13 of the events – we could have used a few more people. But those who attended, did a great job with eight of them doing 3 events each, and twelve doubling up.

We had several people contributing to the team organization: Captain Michael Reynolds; Coache Rio King and Corinne Gagnet took care of the strategy and event planning; and Mitchel Fulce handled the equipment and uniforms. For the first time in four decades, the team was missing Paul Westbrook, who was on an extended camper van trip.

2025 TI Team Stats

- Total team members = 28 (20 males; 8 females)
- Rookies: 13 (almost half the team)
- Average age = 34.6 (youngest = 23; oldest = 65)

Overall Results

Each team drops their lowest (3) scores, so the best 14 events add up to the team score. Not being able to enter more than 13 events hurt the team score. Having a few more people to enter one more event would have placed the team second.

Exxon won 8 events, TI won 4, SLG won 3, BP won 1, and Chevron won 1.

After the lowest 3 drops, the final team scores this year were:
Exxon 190; BP 147; **TI 145**; SLG 140; Chevron 127.
